Boulder Journey School

Armstrong Educational Services is led by Anna Camille Armstrong, an early childhood educator, trainer and consultant with 30+ years of experience as a classroom teacher, center director, instructional coach and consultant. She is a Bright from the Start (Georgia DECAL)-approved trainer, so her sessions count toward Georgia educators' annual clock hours and post as BFTS credits in GaPDS.

Camille holds an M.A. in Educational Psychology from the University of Colorado Denver and trained in the Reggio Emilia approach at Boulder Journey School. Her work sees the child as capable, the environment as a “third teacher”, and pairs emergent curriculum and documentation with loose parts, play schemas and multiple intelligences — theory that always lands in practical strategies teachers can use right away.
